# Chaitanya Lohani

Aspiring Software Developer | 5-Star Python Coder on HackerRank |  
Java Enthusiast | Open to Opportunities  
Delhi, India

## Summary

I am an aspiring software developer with a strong foundation in Python, holding a 4-star rating on HackerRank. Currently, I am deepening my knowledge in data analysis and machine learning with Python while learning Java to strengthen my understanding of object-oriented programming and data structures. I am passionate about solving complex problems and continuously improving my skills. Open to opportunities where I can apply my knowledge and grow as a developer.
